URBAN TAPSAFE External SSD

TAP SAFE, TRANSFER FAST.

URBAN TAPSAFE External Solid State Drive

Meet the URBAN TAPSAFE: a high-performance USB 3.2 Gen2 x2 SSD built for the city lifestyle. Experience lightning-fast speeds of up to 1,900MB/s and a massive 2000GB capacity, all protected by NFC technology that enables one-tap unlocking and access sharing for up to nine users. With its unique cold-shoe-free clip mount and magnetic decorative covers, the URBAN TAPSAFE merges style with utility. It's more than storage—it's the ultimate secure companion for your digital life on the move.

Secure Access, Anywhere.

With built-in NFC support and its dedicated App, the URBAN TAPSAFE turns your smartphone into a secure authenticator. Just tap your phone to the device to unlock and access your data instantly. By auto-locking upon disconnection, it keeps your data fully protected from unauthorized access the moment you step away.

Transfer in a blink. Unleashed Productivity.

Meet the URBAN TAPSAFE: your new secret weapon for productivity. Featuring USB 3.2 Gen2 x2 specifications, delivering blazing-fast read/write speeds of up to 1900MB/s and a massive 2000GB capacity, it handles the heavy lifting so you don't have to. From real-time compilation of large-scale software projects to 4K video editing and lightning-fast game loads, it's the seamless, high-speed experience every pro deserves.

Secure Sharing. Total Control.

Manage data access effortlessly with the URBAN TAPSAFE app. You can authorize up to 9 members with flexible 'Writable' or 'Read-only' permissions to fit your workflow. Enjoy seamless collaboration backed by ironclad security, ensuring your files stay protected and under your control.
